Rules for the JHMMC 2026-2027 Season

Dear Members,

The following are the rules to be followed by all teams during the 2025-2026 fishing season:

1. All participants in the tournament must be members or temporary members of the JHMMC
   a. Anglers participating in tournaments must be members.
   b. If not members, Temporary membership fee is USD50.00 (per tournament)
      i. Temporary memberships have to be paid before the tournament day, otherwise the team will be disqualified.

2. Announcing of catches:
   All catches must be announced:
   a. on the JHMMC club frequency at the time of the catch for all teams to be aware of the catches;
   b. And sent on whatsapp group. (River mandatory)

   if a fish is not declared at the time of the catch, it will be disqualified.

3. Lines in at 8 a.m. : teams can decide to leave early to their fishing spots, however, no lines can be put in the water before 8 a.m.

4. Lines Out at 4:30 p.m. : teams must have their lines out by 4:30 p.m.,
   a. with the exception when a fish is caught before 4:30 pm and the team is still fighting.
   b. the team must announce that they have a fish on the line and are still fighting it.
      i. Pictures and videos should be taken showing the time as proof for the weighmasters to review and confirm.
   c. In this case the fish will be counted regardless of the time they dock at the weigh station.
   d. However, if they lose the fish, all fish caught earlier will be disqualified if they fail to dock by 5:30 pm.
   e. This rule applies for all fish species and not only Marlins.

5. Rules of catch & release for Marlins and Sailfish still apply this season:
   a. Marlins below 100kg must be released and will be awarded 500 points, pictures and/or video as proof of catch & release are a must otherwise no points will be awarded.
   b. If a Marlin below 100kg is caught and kept, the points calculated for the weight of the Marlin will be deducted from the team's points.
   c. To encourage release of Sailfish, any sail released will be given points of 25 Kg Sail.

However, if a Sail is not released, there will be no penalty for that. Also it is advisable that sailfish remain in water and photographed for proof before release.

6. Rods allowed on fishing days:
   a. Tournament days: Maximum number of 8 rods with hooks in the water & spare rods are allowed.
      Dredges, teasers, daisy chains, and planners without HOOKS are not considered rods
   b. Holidays & Sundays: there will be no limits/regulations regarding the quantity of rods on board.

7. Docking time:
   a. The deadline for competing teams, during tournaments & regular fishing days, to be docked at the pier is 5:30 p.m. Any boat docking after 5:30 p.m. will be disqualified and points of that day will not be counted.(with the above mentioned exceptions)
   b. The deadline will be declared by the "Horn Master", by blowing a horn over the JHMMC frequency, indicating that all boats not docked in by that time are disqualified and catches will not be accepted.

8. ***Weighing of fish:***

   a. Only approved weigh masters of the JHMMC are allowed to weigh the fish
   b. Only certified scales are accepted
   c. Every fish weighed must be photographed hanging freely on the scale showing clearly the weight on the scale
   d. Results must be recorded in the Fish Registration books that will be supplied to all weigh masters before the date of the competition.
   e. Result Forms must be either scanned or photographed clearly and sent to the weigh-masters Whatsapp group for entry and tabulating of results.
   f. Fish weighing less than 2Kg (Ocean) & 1Kg (River) will not be counted.

9. Safety Measures:
   All safety measure should be followed by all Teams participating in the tournament, especially having a reliable working radio for communicating with other boats, in case of any emergency.

10. Clean Angler:
    Anglers fishing in the River and Ocean should avoid throwing bottles, plastics and other items over board. Every boat should designate a place on the boat for garbage, and when back on the docks should dispose of the garbage into trash cans.
    Let's **"Keep our Waters Clean"**

The JHMMC wishes all participating teams tight lines and great catches.
